This page is to be completed by the donor
PLEASE COMPLETE ELECTRONICALLY OR HANDWRITE IN BLACK INK USING

The space below is provided for you to give a description of yourself as a person. The type of information that may be helpful could include your education, achievements, values, and life experiences. Try to imagine yourself as a donor-conceived person, and think about what you might wish to know.

I would like to tell you who I am. An honest person with a strong character. I think before I speak, only promise that which I can keep. If philosophers were to dissect all the elements of life, then love will write them all. Let your mind rule your speech and your heart rule your actions. Be guided by your own wisdom, however do not take the advice of others in vain. Try new things, experience beauty and creation on every street. Respect your elders & never say never.

I hope you find love & happiness. Arividechi!
